

Congratulations! You enrolled in a health insurance plan.

What do you need to do next?

1

Pay your premium each month.

2

Read your insurance card when it arrives in the mail. It shows your costs for doctor visits and the insurance company's phone number to call if you have questions.

3

Choose a doctor or primary care physician (PCP) in your plan network. Visit your insurer's website or call your insurer for a provider list.

4

Schedule a check-up with your doctor.
